FOR YOUR INFORMATION:

26-pay (CAL) basis:

Academic-year salary is paid out over the entire year from September 1 through August 31. A faculty member on 26-pay basis always goes on the payroll on September 1, no matter where this date falls within a biweekly period. **The first payday for 26-pay faculty is September 15, 2021**. On September 15, 26-pay faculty would receive a check for 1 day (9/1) of the 14-day biweekly period. On September 29, the first full check for a complete pay period (9/2 – 9/15) would be paid.

Special Note 1: When on 26-pay (CAL) basis, the Spring Semester begins on March 2. If you take a leave without pay for a fall semester, this means you will not return to the payroll until March 2 when you return in the spring. Your academic obligation, however, will begin with the start of classes.

Special Note 2: When requesting a pay basis change from 21-pay to 26-pay you will be placed on a leave without pay from August 19 through August 31. You will return from leave on the 26-pay effective date of September 1. **If you choose this option and have a Flex Spending Account (FSA) you must contact immediately:** FSA Hotline 1-800-358-7202, Email: fsa@goer.ny.gov, to address this leave and prevent any problems with your Flex Spending Account (<http://www.flexspend.ny.gov/>).
